

Addendum #1

Clarification of Bid items:

1. Elkhart County shall pay contractor on a per foot of actual striping work performed, NOT a lump sum.
2. Bidder should bid based on a quantity of striping not to exceed 1,170,112 feet of white edge line, 2,595,057 feet of solid yellow, and 305,212 of yellow skip line. Quantities are estimates only and payment will be made on actual quantities painted yellow solid, skip, and white solid edge line.
3. Elkhart County reserves the right to remove any road from the striping program. Bidder should not bid anticipating striping every road. Roads may be removed from the program for reasons such as having been previously striped, anticipation of additional paving, or other reasons.
4. The successful bidder will be based on a bid per foot, with a not to exceed of 1,170,112 feet of white edge line, 2,595,057 feet of solid yellow, and 305,212 of yellow skip line. Bids shall be based on per foot only and shall not add a lump sum to include mobilization or any other additional fee. Mobilization and other fees shall be included in the per foot price only.
