

CR 40 Reconstruction and Realignment Project

Elkhart County Project Manager: Justin Zimmer

Design: Elkhart County Highway

Scope: Improve the 90 degree curves on CR 40 east of CR 19. This project will also improve the drainage on this section of road. This road will be closed for 45 days during construction. There will be notice of closure posted in advance.

Information/Updates:

April 20, 2015 Beginning of Construction

June 25, 2015 Completion Date
