

**2018 Road Striping Bid**  
**Elkhart County Highway Department**

**ADDENDUM NO. 1**

August 6, 2018

The project bid documents and specifications have been modified or added as follows:

- 1) All roads noted as epoxy anyplace in the bid documents shall be changed to paint per the paint specifications in the bid documents.
- 2) Bid sheet (page 67) has been changed to reflect the following:  
The project is to be awarded and paid as a lump sum. The bid sheet contains a per unit price for additional striping that may be needed by the owner. The bid award WILL NOT be based on the per foot price of additional striping needed, but only on the lump sum necessary to complete both phase 1 and phase 2 of the striping indicated.
- 3) There will be no requirement for testing the retro-reflectivity of the paint. However, in places where complaints or concerns are raised, striping shall be tested by the owner and reported to the contractor per page 8 labeled "Testing Requirements".
- 4) Liquidated damages: All places in the specifications and bid documents which reference liquidated damages shall reflect a \$500.00 per day penalty.
- 5) The lump sum bid shall include all roads indicated on the map to be striped. The lineal feet indicated in the attached documents are for reference only. The information is from the County's asset management system and should be verified by the contractor in the field prior to bidding. Contractor is responsible for providing all labor, equipment, and materials to complete all of the striping as previously striped (length, width, color, etc.) on each road indicated on the map.
